The new European Innovation Council

EIC Programme Managers
visions and paths under the European Innovation Council

26th March 2021, 10.00 (CET)

Webinar Objectives

❑ The objective of the webinar is to guide the EIC R&I community to the new main concept introduced by the fully-fledged EIC: the EIC projects portfolio and its proactive management principle, mainly managed by the EIC Programme Managers.

❑ It will provide information on support facilities available to the applicants at the national and European levels.

FETFX

24 months transnational CSA project awarded to 15 NCPs host organizations (on behalf of the entire EIC & A2RF NCP networks) to:

- **Identify and share good practices** in how to support applicants to access the EIC and A2RF programmes in H2020.

- **Develop together useful tools for participants** that may simplify their access to EIC Pilot calls.

- **Organize and deliver training** for the whole EIC & A2RF NCP networks community in relevant areas.
